

AGNES MCINTYRE BAIRD

1868-1957

Researched and compiled by Faye V Bell (SLC) 2012

Agnes McIntyre was born in Scotland 1868. According to family data, she was waiting for her sea captain to come home from the seas, but in 1908, Bobby (Robert H) Baird, also born in Scotland but a U.S. citizen, went home to Scotland instead, and they were married in Scotland. By 1910 she and Bobby and their infant son, Robert L, were living in Sunshine, Bighorn Co [now Park Co), WY (1910 U.S. census); within a year their second son, Donald (Dan) M Baird was born. The boys were raised, for the most part, at Big Trails, WY where Steele and Baird ran their sheep. The Bairds moved to Worland when Bobby Baird retired. Agnes always missed Scotland, but she was a resident in this state and country until her passing in 1957.
