Researched and compiled by Faye Bell (SLC) 2012

Elizabeth Buckle nee Elizabeth Scott immigrated to the U.S. from England where she was born on January 15, 1888. She married Robert William Buckle in Hot Springs County, Wyoming (Western States Marriages 1809-2011) in 1921. (Robert W Buckle is buried in the Riverview Cemetery in Worland, WY). A child lived with Robert W Buckle on Hwy 16 east of Worland by the name of Robert F Buckle so it is believed she had one son when she delivered a set of twins the second birth which is Baby Buckle interred in the T.S. cemetery and Thomas T Buckle who was known about Ten Sleep. The twin births occurred nearly a month between them and cost her life in delivery. She passed away on February 14, 1924 in Washakie County, WY.

Memories: The reference to the twin birthing that was delayed was also relayed to me by my mother and is memory only. fb

MRS. BUCKLE CALLED HOME

Friends of Mrs. Buckle were shocked to hear of her death at Ten Sleep February 14th. She had been sick only for a short time, hence the shock was magnified.

Elizabeth Scott Buckle was born in England June 13, 1887. She came to this country and in August 1921, married Robert Buckle. From this union two children were born. Her family live in England a Father, Mother three sisters and three brothers and one sister Mrs. David Taylor in Ten Sleep.

The funeral was held at Ten Sleep February 16th, where her relatives and friends bade her a last sad goodbye. Rev. Daniels of Thermopolis preached the sermon. The sympathies of all, who knew Mrs. Buckle are with the sorrowing husband and children and with the family in England.

It seems terrible that she should be taken from the earth in the prime of womanhood, but we know that now she is where sorrow never reaches.
