

Russell Norman Compton
1968-1986

Submitted by Faye V Bell (SLC) 2015

There is very little available public data on this individual. He was born on December 7, 1968 to Norman Compton and his wife whose maiden name was Smith as per death records in Hennepin, Minnesota. He died 23 April 1986 in Hennepin. The Comptons have/had been in the Ten Sleep area for about 100 years when this 18 year-old passed away and was brought to Ten Sleep for burial. He was survived by a brother Wade and his father Norman.

Later records show Norman Compton, Russell Norman Compton's father, was married to Stephanie Russell. The opinions of other persons who know of the true relationships in this case would be desirable.
