POWELL — Frank B. Patterson, 85, died Tuesday in Powell Nursing Home where he was a resident for the past four years.

He was born and raised in Cedar Rapids, Neb., a son of Mr. and Mrs. Osborn Patterson. In 1912 he graduated from Cedar Rapids High School and later attended college in Bellevue, Neb. During World War II he homesteaded near Columbus, Mont., where he lived until 1943. He moved to Powell and worked in the Standard Oil Co. oilfields until he retired.

In 1921 he married his high school sweetheart Ina Martha Lemon. She died in 1943.

Survivors include a son, Osborn Patterson of Casper; two daughters, Mrs. Jeanette Hardin of Yakima, Wash., and Vernelle McKeith of Powell; a sister, Mrs. Lizzie Belle Antidel of Castro Valley, Calif.; seven grandchildren and one great-grandson.

Graveside services were 4:30 p.m. Wednesday in Crownhill Cemetery under the direction of Eastons Funeral Home.

Another Frank Patterson? The above obituary again matches the dates on the headstone, however he could actually be buried in Crownhill Cemetery, Powell, WY and not in Ten Sleep.

The posted census on our site does not match this Frank Patterson either who was born in 1892, not 1909 as the ones in the posted census say.

Here is the find a grave address for him in Powell.

So, is this the right Frank Patterson dates on his headstone, for our Frank Patterson? There is a Patterson pole patch up our way - i.e., the Mills pasture on the mountain. Perhaps the Moses boys worked with him. Perhaps the dates are completely wrong and it is another Frank Patterson. So, perhaps the posted census are for another Frank Patterson who was actually in our area, and that the posted census are the right information and we have the wrong dates posted on the headstone. Still working on this – Terril Mills April 2016.
