Death of Clinton Sutherland.

It is with regret that the Republican chronicles the death of the young son of Mr. and Mrs. George Sutherland, at the age of ten years, seven months and fifteen days. His name was Clinton L. and a child that was much beloved by all that knew him. The bereaved parents have the heartfelt sympathy of their many friend and neighbors in the loss sustained. The funeral services were held at the Tensleep church last Sunday at 2 p. m., and were conducted by Roy. W. R. Howell. Interment was made in the local cemetery.
