

## **Kathy Lea Arnold**

1957 - 2025

Kathy Lea Arnold, 67, of Basin passed away in Green River Wyoming, on March 4, 2025. She and Bud are together in Heaven now, probably chasing cows.

Kathy was born May 9, 1957, in Iowa to Lloyd and Alta Morstad. She married Bud Arnold on September 4, 1988, and they spent their lives doing what they loved-- farming, ranching, and riding. Kathy loved all animals but most of all her horses. She was an avid horsewoman; an accomplished endurance rider competing across the country. She was very involved in Endurance including the Big Horn 100. In their younger days she and Bud enjoyed team roping.

Survivors include sister Suzanne Morstad of Basin; sister-in-law Barb Arnold VanMatre of Green River; beloved companion Chancy; a herd of horses; and many friends including the special ones who helped her during the final days.

She was predeceased by her husband of 36 years, Bud Arnold.

Services will be held at 12 o'clock noon Friday, March 14, 2025, at the Mountain View Assembly Church (501 2nd Street Ten Sleep, Wyoming). Burial will be in the Ten Sleep Cemetery. Online condolences may be made at [www.bryantfuneralhomeonline.com](http://www.bryantfuneralhomeonline.com).
